Vol. 15 No. 17 St. Albert & Sturgeon

The Gazette

Wednesday, April 24, 1974. 15¢

St. Albert's Provincial Mixed Curling Champions looked exceptionally smart in the Alberta tartan dress when honoured at the curling club banquet. Darlene Clark, Marv Porowski, Bunny Porowski and Roger Comeau with the plaques presented to them by the Town of St. Albert.

Huge crowd honours curling champions at club banquet

The annual Curling Club banquet attracted the largest crowd ever, in a year when the club produced three provincial and one dominion championship teams, jamming the banquet room at St. Albert Inn to overflow capacity Saturday evening.

Master of ceremonies, curling club member Bob Hudson saved the highlights for near the end of the awards presentations which followed a delicious smorg. He called on veteran club supporter Armand Donais for two surprise and special presentations and Mr. Donais handled his happy task very well paying tribute to Mr. Jim Flynn and to Casey Anderson for their tremendous contribution to the club and to the sport of curling. There was no doubt about the surprise as first Jim and Mary Flynn were called up and then Casey and Betty Anderson. Both men were presented with honourary life memberships in the club and handsome engraved plaques citing their contributions. Mary and Betty received beautiful roses.

The crowd responded with a prolonged standing ovation for each couple as they came forward.

A special tribute was paid to the club's popular president, Jack Jeffries and his wife by Mr. Maurice Hill, past president. The Jeffries are moving to Texas.

The big moment came when the rinks of Hec Gervais, Alberta and Canadian champions, Marilyn Johnson, Alberta Lady champions and Roger Comeau, Alberta Mixed champions were piped up to the stage through a cheering crowd all standing and applauding their appreciation of the performance of the outstanding curlers. With Hector in Scotland, setting the Silver Broom for next year, his lovely wife Helen took his place with the team. Mayor Ray Gibbon presented each curler with engraved plaques on behalf of the town and congratulated each of the team mem-

Auxiliary aid tops $10,000

At a recent meeting of the Sturgeon General Hospital Auxiliary, Shirley McQuitty, past president, reported that she along with Mary Bondarevich and Alice Scheibelhofer attended the North West Regional Conference for hospital auxiliaries held in Edmonton. At this conference it was the turn of the St. Albert group to give a report on their progress. Shirley McQuitty outlined the auxiliary's work both in the hospital and in their fund raising ventures. She was very proud to report that since the start of the auxiliary, one year prior to the hospital opening, that they have donated a total amount of $10,045. The donations were made possible by the successful running of the Gift Shop located in the hospital foyer and the festivals and Spring Balls held by the auxiliary.

Ways and Means chairman reported that this year's Spring Ball will be held at the St. Albert Inn on Saturday May 4. The guest speaker will be the Lieutenant-Governor of Alberta, Dr. J. W. Grant MacEwan.

Council letter causes heated exchange - Lukay strikes his name

Present for regular Town Council meeting Monday night were Mayor Gibbon and Councillors Throndson, Lukay and Fyfe. Councillor Bakker was reported on vacation and Coun. de Bruijn out of town on business. Coun. Hudson was also absent.

Councillor Lukay was bitterly opposed to the draft of an open letter going out shortly from council to residents, and raised the matter under new business. "This is not a letter of factual information as was the intent" he said - it is a position paper. He asked to get clarification.

The mayor replied that "the letter clarifies the zoning carried out. That area has always been intended as light industrial, and the letter is also a position paper," he added.

The confusion arose at the time because town maps showed the area zoned as Agricultural.

Coun. Fyfe said "the letter explains council's position re. the need of the town for a viable tax structure. It was not that we did not care about how the people felt."

Coun. Lukay said some of the information in a document he received along with a draft of the letter was new to him. He asked "Where is the correspondence outlining and describing the operation of the proposed plant exactly?" The mayor replied that details were presented before and after the public hearing March 11. Details as to no smoke, noise or

FRANK LUKAY

Flood situation under careful watch

Marcel De Champlain of the public works department said Tuesday the town is prepared for any potential flooding. Stock piles of clay have been arranged with Nu West Homes and additional supplies of polythene plastic are on tap through local merchants. Mr. De Champlain and Ernie Jamison of the Gazette visited the Big Lake and Riviere Qui Barre Creek areas Tuesday morning and met Dept. of Environment crews at work.

There was a lot of room still in Big Lake Basin where there was still ice, and the crew reported that the creek had peaked Monday night.

The town has three pumps on the job and would ask any residents with pumps which could be borrowed if needed to contact Mr. De Champlain at 459-6601.

Mr. Sheldon Lowe of the Technical Services Division Department of the Environment, was at work in St. Albert a good part of the day and evening Tuesday, and is here again today. He reported yesterday that the river had risen 10 inches in the 24-hour period between 6:30 a.m. and 7:30 p.m. and estimates it may peak today or Thursday. He said the rate of flow was 41 feet per second at noon yesterday.

Mr. Lowe was reasonably confident that there would be no serious flooding within the town. He left the telephone number for contacting the Alberta Disaster Services for sand bags - 455-7181.

The town had a bulldozer still at work Tuesday evening at 11 o'clock on the area back of St. Anne Street, where residents were keeping a careful watch on the clay banking and assisting when possible.

A bulldozer was also at work by the Bruin Inn at 11 p.m., and last report from Mr. Lowe at the same hour, was that the river had risen three quarters of an inch in the last two hours.

United Church will mark 20 years in St. Albert at special service

On April 28 the congregation of St. Albert United Church invites all former members, adherents and friends to join with them in celebration of the 20th anniversary of its founding. A service of worship will be held at 10 a.m., followed by a coffee hour and birthday cake. At 6 p.m. a pot luck supper will be held in the St. Albert Community Hall, which promises to be an evening packed with reminiscence and entertainment.

It all began when Dr. W. D. Cuts and Mr. H. Sumner, concerned about the number of Protestant families in St. Albert and District for whom there was no local religious facility, invited those known to them to a meeting in February, 1953. The meeting, with a large attendance, took place in the home of the late Frank Ball, and those present, representing many denominations, voted unanimously to form a United Church Congregation, intended to serve all Protestants in the town and district. Things moved quickly after that, and the first service was held on March 7, 1954, in the Club Mocombo, which was to be the scene of the services for several years.

The charter service was held on Easter Sunday, 1954, and members and adherents from as many as 11 different denominations were received into the congregation. Rev. Dr. George Harrison Villett, principal of Alberta College, was the first minister, assisted by students from time to time.

Many comical memories of those days in the Mocombo will be recalled on Sunday. The borrowed choir gowns, the wheezy little organ, the two levels of the floor, over which children

Please turn to page 4.

"Raise high the roof beams, carpenter" - and the fact that many were volunteers built something extra into this work on the St. Albert United Church. Photo was taken in February, 1957.

Council letter

Continued From Page 1

pollution and on the production of modules that the plant would have turned out at the rate of one rail car allotment per day, he said, and that relates to five trucks per day. The mayor concluded that the known details included that it was the intent of Syncrude to ship by rail as much as possible, but that the modules would not exceed what a truck could handle.

Councillor Lukay felt the mayor was wrong on this explanation. "That is not what we heard at the hearing - I refer you to the transcript" he stated. Some paragraphs in this letter would indicate, he went on, that information was available to all members of council which, in fact, was not available to all. Coun. Hudson, for example did not know any details about the proposed plant - and so indicated at the hearing. Council was Not able to reply to questions asked at the hearing about what kind of a plant Syncrude was proposing.

He questioned also references in the letter to buffering of the plant. Not knowing details of the plant how could we have established proper buffering? he enquired. If the firm had not agreed on buffer requirements they wouldn't have for the development, said the mayor.

Council has yielded in the past said Coun. Lukay, to which the mayor took strong objection. I am not aware, he said, of yielding in any way from pre-set policy. He told Mr. Lukay he had better verify the statement.

Your resolution tonight was an example, said Coun. Lukay. When two suggestions were added to the planner's recommendations dealing with the proposed BACM annexation in Lacombe Park area, the mayor immediately recommended that the information be sent to BACM Who is controlling planning? "There is your verification!"

"Further, if we have such an unhealthy imbalance between residential and industrial assessment that it has been suggested we have only a short-lived existence as a separate entity, then this council has only itself to blame," said Coun. Lukay. "We have pushed residential development as fast as we can!"

"Strike my name from the letter - I am totally opposed to it," he added, ending the heated exchange.

Some further amendments were made to the draft, mainly by Councillor Fyfe's suggestions, which will now be prepared in final form for distribution to residents

Councillor Lukay is on record over the years as advocating either slowing growth, or stopping growth, in St. Albert until it could be clearly demonstrated that adequate sewer and water facilities could be financed and the rate of growth successfully absorbed.

Curling do

The huge crowd at the curling banquet was more than enthusiastic about the Honourary Life membership and plaque presentation made to a great competitor and long time supporter of curling in St. Albert, Jim Flynn. Mary, his wife and also a curler, shows her gift of roses.

Casey Anderson was completely taken by surprise when called upon for presentation of an Honourary Life membership and engraved plaque at the curling banquet. In paying tribute to Casey's contribution to the club, Armand Donais stated that without him the Friendly Giant Inn would never have been built when it was.

WE HAVE TALKED ABOUT OURSELVES

In the past issues of our bulletins we have told you mostly about ourselves and the way we operate our store to give you the very best in professional pharmacy.

HOW DO WE FEEL ABOUT YOU?

You, the consumer are the most important factor in our pharmacy.

1. You are not dependent on us - we are dependent on you.
2. You are not an interruption of our work, but rather the purpose of our work.
3. You confer a favor on us when you come in or call. We are privileged to serve you.
4. You bring us your pharmacy wants and it is our job to fill those wants at the right price, with the right quality at the right time.
5. If we lose you, it is a most costly liability - you as a satisfied customer are our most valuable asset.

HERE IS OUR PLEDGE:

Everyone who works in our pharmacy will always abide by these five ruling factors. We promise that we will be the type of family pharmacy that you will be proud to buy all your pharmacy needs from.

Rental business opens

Scott Rental & Sale Ltd. will open its doors to the public on May 1st, advises Mr. Frank Scott who is owner of the new venture. He is presently sprucing up the metal building across from the elevators on Meadowview Drive.

Original emphasis will be on garden implements of all kinds. Lawnmowers, rototillers, lawn aerators and post hole augers will all be available for rent. But there is much more in the line of small equipment: dry wall equipment, boat motors, bicycles, tires for tent trailers and boat trailers, power and hand tools, paint sprayers and tents will be stocked.

In addition the new firm will have available items for sale related to the rented equipment, such as lawn seed and fertilizer, dry wall material, paint etcetera.

This will be for convenience only and Mr. Scott does not wish to conflict with local businesses.

The office will be open seven days a week: from 8 a.m. until 9 p.m. daily and for three hours Sunday mornings. Mr. Scott spent two months surveying the potential of a small equipment rental business and feels the outlook is very promising here, and he found good response from the general public to the idea.

Frank and his wife Katherine and daughter Laura Lee make their home at 34 Lambert Crescent.

ATA members meet

Approximately 480 teachers representing the 74 locals of The Alberta Teachers' Association will be gathering at Edmonton's Chateau Lacombe on April 15, 16 and 17 for the 57th Annual Representative Assembly.

St. Albert Local will be represented by John E. Arnot, Lawrence M. Dick, Wayne B. Flaska, J. Bernard Poulin, Mrs. Myrtle W. Pruden and Terrence E. Wispinski.

Attending from Sturgeon Local are Mrs. Elizabeth E. Corbett, W. B. (Terry) Parsons, and David S. Pasay

Delegates to the three day assembly will be considering more than 100 resolutions ranging from administrative matters to Association policy issues. This year the major areas of attention include early childhood education, organization and administration of schools, and working conditions.

The representatives will hear the annual reports from the President (Dr. Murray Jampolsky) and the Executive Secretary (Dr. B. T. Keeler).

Greetings to the assembly will be extended by The Hon. L. D. Hyndman, Minister of Education, Edmonton Alderman Dave Ward, and Harald Gunderson, president of the Alberta School Trustees' Association.

Florence Henderson, executive secretary of the Federation of Women Teachers' Associations of Ontario, will address the delegates at the Association's annual banquet Monday night.

Finance sessions beginning late Tuesday afternoon, and continuing Tuesday night might, by motion of the assembly, be closed to all persons other than delegates and designated personnel.

Delegates to the assembly represent the 21,000 active members of the Association.

Letters

Hockey workers praised

The Editor:

The hockey season has now come to a close and I believe a word of praise and thanks is due to those who have contributed so much time and effort in making this past year a good one for hockey in St. Albert. In particular, the parents who came to watch the boys, and to Mr. Puech, Mr. Friesen and Mr. Gray of the St. Albert Barons - peewees. Also to Mr. Doug McConachie, Mr. Jim Leddy, Mr. Wayne Stewart and Mr. Dick Wilson of the Sportshop Barons midgets. To these men go special thanks for a job more than well done. Last but not least, and possibly first, to the wives who lost their husbands to some boys and young men for quite a while. With people like these involved with the young people they can't help but be on the right track.

M. Olson,
Braeside.

United Church

Continued from page 1

fell regularly, the hasty concealment of relics of the previous night's revelry, the early morning chicken suppers consumed by the volunteers who swept up the Mocombo and set out the chairs on Saturday nights after the Club closed for the weekend. Funny, yes, but over-riding all that, memories of a wonderful fellowship, a rich and beautiful experience, never to be forgotten by those who took part.

It is hard to believe, entering the St. Albert United Church, that this substantial structure was built largely by volunteers. How those men worked - under the capable direction of Building Superintendent, the late Stan Gerrie, building committee members, including Clifford Parkes, Doug Barron, Dan Richardson, and many more, the framing was done, including even the massive roof beams, entirely by volunteer crews. The ladies provided coffee and snacks, which were served next door in Usher's basement at the conclusion of the evening's labors, when anywhere from five to 20 men might be found relaxing after hours of hard work.

St. Albert United Church has come a long way since this photo taken at a service held in the Club Mocombo in 1954, but many local residents will recall scenes like this in the very early stages of the church's life in this community.

The church was used by the congregation from 1957, though at first in a very unfinished state. Reverend Joseph Bainbridge administered the first Communion in the incomplete chancel. What did it matter that the table was a portion of plywood flooring, raised on trestles to provide heat from the space heater in the basement With a sheet and white linen tablecloth on it, it might have been the finest oak. The service was what mattered, and it was beautiful.

After Dr. Villett, Mr. Bainbridge kept us under his ministerial wing, and many students, sometimes just for a service or two, but several throughout many months, helped us on our way. We remember Jock Davidson, Dale Irving, Bill Mayberry; Ralph Marshall, Clifford Parkes and then the milestone of calling our first ordained minister, Rev. Dr. Ed Schwarz, in 1961, followed by our present pastor, the Rev. Leonard J. Musto, who came in 1965.

Two members of the congregation left their other occupations, attended theological college and were later ordained; Rev. Clifford H. Parkes and Rev. Hal Sambell.

From about 100 families, the sphere of influence of the St. Albert United Church now includes between 400 and 500 families. Of course, in the meantime, several other congregations of other denominations have been formed, who work together through the St. Albert Ministerial Association, and even more closely in the case of the Anglican congregation, which shares our premises. There are still, however, quite a number of different groups represented in our church rolls.

At the special service Sunday morning four people from the congregation will be relating what this church has meant to them. They are Mrs. Ethel Cuts, Mr. Ron Harvey, Mr. Barry Breadner and the Rev. Len Musto.

Members of the executive council, governing body of the St. Albert United Church are Hu Puffer, chairman; Marcia Scammell, congregation Life and Work; Hugh Smith, ministry, personnel and property; Peg Humbert, outreach; Janis Evans, Christian Education; Ian Skogstad, finance; and Ron and Dorothy Blakeman, communications.

The council is now in the process of forming a long range planning committee to look into the needs of the church in relationship to the expanding community. Thus the work of the church's founders of 20 years ago goes forward by those that followed them, in the same spirit of dedication and optomism.

Conference to aid Scout work with handicapped

Alf Garvin, District Commissioner for Landing Trail District is wholeheartedly behind the Insight 11 program being sponsored by Boy Scouts of Canada at a Provincial Conference being held Saturday, May 4 in the Scouting Service Centre in Edmonton.

"Insight" involves the scouting movement in working with the handicapped and the conference is open to Guiders as well as Scouters.

Areas to be covered at the conference sessions from 9:30 a.m. until 4 p.m. include Learning Disabilities and their implications, and camping with the handicapped. Liz Hallett of the Northern Region, Boy Scouts of Canada, and Mary Morrison of the Edmonton region are co-ordinating the conference.

In addition to Scout and Guide leaders the Conference is open to committee members, parents and all persons interested. Special guests will include people working with groups of handicapped or disabled youth, as members of a regular youth group. It is the approach of scouting to take these young people into their existing troups, while there are some guide companies working with the handicapped girls as separate groups

Practical ideas and resource materials will add to the conference, particularly with reference to planning camping activities to include handicapped youth.

Pre-registration is necessary, which may be done by applying to Insight 11, giving the name of either the individual or group, the community being represented, telephone number and a fee of $2.50. The address is Insight 11, 14205 - 109 Avenue, Edmonton, Alta.

Around Town

Mr. and Mrs. Steve Kashton and daughters Donna and Cindy motored to Saskatoon, Saskatchewan, over the Easter holidays to attend the christening of the infant daughter of Mr. and Mrs. (nee Roth) Joe Muzylowski. Mr. and Mrs. Kashton are the maternal grandparents of little Marie Elizabeth. Mr. Muzylowski is still in South America.

** ** **

Bert and Angie Sonntag are leaving next week for Winfield, B.C. (about half way between Kelowna and Vernon in the Okanogan Valley) where they are considering going into business. The Sonntags with children Robert 12, Chris 9, and Jill 7 years have made their home in St. Albert since 1961 and Mr. Sonntag has been a chef at the University of Alberta, where he has been employed since 1961. Both Bert and Angie were active members of the tennis club and Bert serviced on the Meals on Wheels committee. Angie has served on the Sturgeon General Hospital Board for the past two and one-half years.

** ** **

Mrs. Anne Kampen is leaving Thursday (if flights go out) for Holland, following the death of her father, Mr. Bert Van Houten, in an accident. He was 75 years old. Anne plans to spend about four weeks with her family in Groningen in the north of Holland. Travelling with her will be Mary Jamison, and Anne has kindly offered to share a ride into Amsterdam from the airport, and to launch Mary's European trip with accommodation with relatives.

** ** **

The Cubs and Scouts are hoping to boost their dwindling coffers with much needed funds to support their training and outdoor camping activities, and will truly appreciate the support of St. Albert residents for their annual 'Green Up St. Albert' project.

On Saturday the boys will be delivering 50 pound bags of fertilizer from door to door. They will have three formulas available ranging from $2.50 to $3.78

elect NDP candidate

The St. Albert Constituency Association of the Alberta New Democratic Party is holding a social get-together and pot luck supper party on Friday, April 26, 1974 at 7 p.m. Everybody is invited to come, meet their friends, listen to the guest speaker and help select a candidate for the next election.

For more information phone - 459-3563.

District 3 agrees

At a recent meeting of the District 3 School Board, the major item under discussion was a request made at an earlier meeting by the St. Albert Parish Kindergarten. A delegation from the Parish Kindergarten had made an application for the board to enter a contract with the kindergarten. The contract covers many aspects of kindergarten operation, including financial agreements, staff, child ratio, class numbers, transportation etc.

At the regular meeting on Thursday, April 18 the Board agreed to enter into a contract with the kindergarten. The kindergarten will remain non denominational and the parents Board will continue to handle the registration and will still be involved in the operation of the kindergarten.

DO YOUR PART

The Breakfast Lions showed considerable interest in the Block Parent program described at their meeting yesterday morning by Constable Rick Maynard of the RCMP. The officer told them that once underway, the plan would not be attached to the Force in any way, but run by area committees. People selected for Block Parents will be on a volunteer basis and applications are available for interested persons at the police station or any elementary school.

Many sorts of problems could come up, said Constable Maynard - people usually think first of child molesting, not a great problem here, in St. Albert, but there is far too much of it going on in Edmonton, he noted. Other problems do come up however - a child takes ill, falls, is bullied by an older youngster, and the Block Parent plan is a step toward safeguarding children, the Lions were told

The children will have to be instructed by their parents that they go to the home with the sign in the window only in case of trouble. The key word behind the program is 'Prevention,' stressed the constable. When it is generally known that 1,000 or more Block parents are scattered throughout the town, the type of person who might make trouble is less liable to even start.

The people who volunteer will be able to get emergency aid through whatever local agency can help, such as the hospital or police station, he concluded.

The talk received excellent response from the Lions present, and Lion Max McCann even offered his Dairy Queen premises as a Block Parent spot if that could be worked out.

A good turnout of members heard reports from committee chairmen, and applauded fellow members Bill Heron, Gene Scantland, Dr. W. Cuts, President Elmer Harrison, and recently transferred secretary John Huberdeau, who won Membership Achievement Awards for their efforts in bringing new members into the club.

Also at the meeting yesterday morning Lion Jack Hearfield was named Lion of the Month for March. Jack has done a fine job as tail twister - spreading good cheer and chuckles at the meetings. He recently took over the post following a hotly contested election.

At the previous meeting the club welcomed delegates from Sherwood Park, Bruderheim and the Edmonton Cosmopolitan clubs.

John Kaminski gave a short plea for financial support to equip the Lions Community Band as a Marching band as well as concert band and felt if this could be accomplished the band would attract more participation, and could also support more community activities.

A motion to purchase an amplifying system which will be loaned to the majorettes for their use, was passed. That meeting also heard guest speaker, Lion Don Merrell who promoted the possibility of the Breakfast Lions conducting a winter carnival in St. Albert, and suggested a wide variety of activities which could form the program of the carnival, which he thought would be a very worthwhile project for the club.

BE A BLOCK PARENT IF AT ALL POSSIBLE.

- Application forms may be obtained from the nearest elementary school or the R.C.M. Police office, 20 Muir Drive, St. Albert.

Conference on Aging open to public

The Conference on Aging on May 9 - 11 has been planned around the theme "A design for community service, comprehensive and integrated, and Mrs. Mary S. Hill, assistant professor in the School of Social Work at the University of British Columbia will be the keynote speaker. The conference is being held at Lister Hall.

Registration under conference committee member Ethel Cuts of St. Albert, will be taken at seven o'clock Thursday evening May 9, followed by a no host reception. Friday will be given over to business meetings and workshops with Mrs. Hill's address at 10:30 following the morning business meeting. Mr. Art vans will be the speaker at the evening banquet.

A display of ceramics, paintings and many forms of arts and crafts by out of town seniors has been arranged.

Saturday afternoon there will be a tour of four different Senior Citizens Drop-In Centres in Edmonton. The Lions Centre, first to be opened in the city, the Society for the Retired and Semi-retired, the McCauley Drop-In Centre, most recently opened facility and Strathcona Place, well-used south side centre.

The Conference is open to all interested persons in Alberta and the fee is a nominal $5.50.

Pool Time Again

An advertisement in this issue contains information about season tickets and admission fees to the pool which is scheduled to open on Saturday, May 18.

The schedule of activities will be published shortly and it will be basically the same as in previous years. New residents may be interested to know that every endeavor is made to accommodate as many different age groups and categories as possible. There are therefore public, teen, adult and family sessions included in the "curriculum" which is always subject to adjustment, depending on attendance, etc. and something new is often added For the past three years, an hour has been set aside on Sunday evenings for people with scuba equipment which, of course, they are unable to use in the pool at any other time. A "Kiddies Karnival" introduced on Saturday mornings proved very popular and occasionally opportunities are given to those people who want to test their stamina in trying the "Mile Swim."

As St. Albert is very much a family town, there are at least four sessions for families only scheduled each week during July and August and usually two each week during June. These sessions have proved very acceptable -- especially to families where there are children too small or too young to swim during public swimming or where children are just a little apprehensive of the water.

During school hours the pool is available to the schools under the terms of the Joint Use Agreement and the policy adopted by the school boards when the pool opened in 1967 allows many students to have the opportunity to learn to swim. This policy and the regular Red Cross and R.L.S.S. classes means that there is little excuse for anyone in St. Albert not being completely at home in the water. The regular Red Cross classes run in two-week sessions and all levels of instruction for all ages are offered from adults down to pre-schoolers who learn with their mums and dads.

The foregoing outline is intended to acquaint newcomers especially with what to expect from the pool schedule. It has evolved over the years, is subject to change and additions but the aim is always to cater to as many people as possible.

We were very disappointed with the news that Gazette staff member Goe Nadkinson was taken to the hospital to have his appendix removed. Ed and Boge hope for his speedy recovery.

SPORTS

Midgets pick up 4 wins in 5 games on ten day tour

St. Albert's Sportshop Barons wrapped up their 55-game midget hockey season in flying fashion last week, as they picked up four wins and a tie in five exhibition encounters in British Columbia and Washington.

The Barons opened their International tour with a 4-4 tie in Kimberley and then backed it up with 10-3 and 7-3 victories over Spokane Americans and 4-3 and 7-6 victories over Seattle Sno-Kings.

The exhibition victories left the Barons with 41 wins, nine losses and five ties for the season. Over the winter, the Barons captured the Northern Alberta Hockey League title with 16 straight league victories and four playoff wins, rolled up six straight provincial zone playdown wins and then finished second in the provincial Midget B category to Fort Saskatchewan, and captured the Drayton Valley hockey tournament in February.

The 10-day tour began Friday, April 13, with an overnight stay in Calgary. Saturday it was on to Kimberley by chartered bus arranged through Deluxe Tours, and an exhibition encounter with Kimberley Lions.

Strengthend by four Junior hockey players, the Lions hustled into a 3-1 second period lead, after playing through a scoreless opening frame, and it was only excellent goaltending from Keith Logan that kept the score close.

In the third the Barons fought back with three successive goals to lead 4-3, but the Lions tied it up with less than five minutes remaining.

Captain Darrel Billsten scored twice for the Barons, with singles going to Tom Parayko and Doug Cinnamon.

Following the game the Barons travelled 90 miles to Creston, for an overnight stay with Sunday designated a day off. Many of the Baron players spent the afternoon golfing in balmy 70 degree weather, with Greg Thibert's 46 low score for the nine.

A barbecue was held in the evening with the parents along on the trip -- Dennis and Hazel Billsten, Joe and Shirley Kuzio and Jim and Shorty Leddy and Christel McConachie doing the cooking.

Monday morning it was off to Spokane with the Barons dropping the Americans 10-3 in a friendly exhibition contest. Steve Foreman with two goals paced the Barons, with singles going to Rod Olsen, Lloyd Olson, Parayko, Billsten, John Wells, Thibert, Gary Ferguson and Cinnamon.

The players were billeted out with the Americans hockey players, and Tuesday morning were given a tour of the Expo 74 site which opens May 4.

In the second Spokane game, Rod Olsen's two games sparked the Barons to their win, with singles going to Billsten, Foreman, Wells, Terry Leddy and Ferguson.

Goaltenders Dennis Lafleur and Brian Macdougall shared netminding duties in the opening game, while Logan went the distance in the second.

Wednesday it was on to Seattle and an evening match with the Sno-Kings, a hustling burly hockey club.

St. Albert outscored Seattle 3-1 in the third period, to register the win, with Wayne "Mountain Cow" Kuzio picking up the winner midway through the period and St. Albert holding a two-man advantage.

Other goals went to Earl Evaniew, Lloyd Olson and Terry Leddy, while goalie Keith Logan kicked out 35 drives.

Gary Ferguson's hat trick in the second encounter -- the winner coming with just 20 seconds remaining -- provided the sparkplug for the Barons second win over Seattle.

Lloyd Olson rattled in two goals as well, while singles went to Doug Cinnamon and John Wells.

The Barons again got excellent goaltending from Lafleur and Macdougall, while the third goaltender, Keith Logan played forward.

The players then travelled to Vancouver Friday, and after visiting Stanley Park Saturday, left for Kimberley where they overnighted and returned Sunday evening.

A Sunday barbecue for parents has been scheduled for Lions Park Sunday, as the club wraps up its season

The players would like to thank all sponsors of the trip, along with bus driver Bob Edwards, who regularly drives for the Edmonton Oil Kings, for making the trip successful.

The players included: Dennis Lafleur, Chris Hoffart, Earl Evaniew, Wayne Kuzio, Steve Foreman, Lloyd Olson, John Wells, Darrel Billsten, Kirk Ledgerwood, Rod Olsen, Tom Parayko, Steve Lister, Gary Ferguson, Greg Thibert, Sandy Millroy, Terry Leddy, Doug Cinnamon and Keith Logan. Spare goaltender on the trip was Brian Macdougall.

Team officials included coach Doug McConachie and assistants Wayne Stewart and Jim Leddy, and business manager Dick Wilson.

During the trip Steve Lister was unable to play, suffering from a badly bruised hip received in provincial competition in Medicine Hat a week earlier. Chris Hoffart was forced to sit out two games because of a sore hip, also suffered in the provincials, while Steve Foreman missed the final match because of a sore arm. Terry Leddy played part of the first period in the final Seattle game, before receiving a bruised hip after a jolting body check.

TAKE THE CLASSIFIEDS ROUTE, IT'LL PAY OFF.

Junior Bruins hold windup awards night

A good crowd attended the St. Albert Junior Bruins hockey windup and awards night last Friday at the Purple Dude banquet room. Sophomore star Bob Wallis was the winner of two awards, taking the St. Albert Sportshop Trophy, as the teams most valuable player, and the Johnny Bauer Memorial Trophy for showing good sportsmanship and leadership both on and off the ice.

Tim O'Neill won the Rene Pouliot Trophy as the clubs top scorer and Marcel Tourangeau took the Norm Bohl Trophy as the clubs top defensive player.

The players also took the occasion to honour the team executive with the presentation of lovely plaques. Equipment manager Rene Pouliot a real favorite with the players, was presented a large marroon bow tie to be worn next season.

Team owners Garth Leask and Ron Yanosik spoke briefly thanking the boys for their good play throughout the season. Coach Ken Schwartz also praised the team for their showing during the season.

The Johnny Bauer Memorial Trophy, presented by Larry Mitchell, was in honor of the late Mr. Bauer who passed away last fall. Mr. Bauer was an avid follower of all types of hockey, with the younger players getting the most attention. He always stressed good clean play and would have been pleased with the team's first recipient.

The Shell Farm Supply Trophy donated by Mr. Norm Bohl was also a new award this season. Norm played a few seasons with the Comets and now patrols the blueline for Morinville Seniors.

Allan Chase presents Nina Ible, manager of Grandin Bowl with the handsome trophy donated by Westcon Construction Products for annual competition in the Youth Bowling program. There will be five league champions competing for this trophy in a grand roll off on May 4 at 10 a.m.

Comets plan big night

The Jasper Auto Parts Comets annual hockey banquet and awards night will be held this Saturday night at the St. Albert Inn starting at 5 p.m. The evening will kick-off with cocktails from 5 to 6 p.m. followed by a smorgasbord supper to be served about 6:15. Following supper the presentation of the various player awards will take place with a word from the mayor or one of the councillors. Dancing will start about nine with music being supplied by the fabulous "Busted Flats." There will be various prizes throughout the evening and a good time should be had by all. Don't miss it.

The seven pupils shown above will be representing the North Central Zone at the Provincial High School Badminton championships at Red Deer this weekend. In the North Central Tournament Sandy Willas won the girls singles, Cindy Smith and Cathy Medland took second in girls doubles while Vivianne Servant and Brigette Brust placed third. Miles Pratt and Alan Musto won the boys doubles. The girls are from St. Albert High and the boys from Paul Kane.

Chiefs defeat Barrhead win championship

St. Albert Fire Chiefs defeated Barrhead 10-5 and 5-4 recently to win the Northern Alberta Minor Hockey League's bantam division championship.

Fire Chiefs had won the opening game of the best-of-five series 9-5 but had lost the second 3-0. All games had to be played in Barrhead as ice was not available in St. Albert.

Larry Sander got the winning goal midway through the third period in the final game after Barrhead had rallied to tie it 4-4 with two fast goals early in the period.

The goal was Sander's third of the game. Gilbert Longpre and Kenny Strand got the others.

In the 10-5 win, Kenny Young got two goals with the others going to Larry Sander, Strand, Blake Millroy, Paul McCann, Lerry Hubbs, Graham Brown, Donald Ouellette and Ronnie Sander.

Chiefs were presented with the Bredo Transit Ltd. trophy immediately following the game by F. Bredo of Barrhead.

The local team was only formed for representative play three years ago but has improved with each season. The Fire Chiefs won only two of 24 league games in their first season and improved that record to seven wins, seven losses and two ties in the 16 game-schedule in their second. This season in league play the team was 14 wins and three losses.

Chiefs played 58 games in all this year, winning 43, losing 11 and tying four. Besides league play they had 14 playoff encounters and 27 exhibition contests.

Members of the team were Paul McCann, captain; Greg Brandenbarg and Graham Brown, alternate captains; Ronnie Sander, Larry Sander, Dave Shipanoff, Gilbert Longpre, Colin Wear, Lerry Hubbs, Kenny Strand, Kenny Young, Joe Tworek, Dave Fraser, Bob Drysdale, Jimmy Scheibelhofer, Glen McRae, Kevin Jennings, Donald Ouellette and Blake Millroy.

Chiefs scoring power has vastly improved in the three years the team has been in operation, Ronnie Sander leading the team this year with 96 points on 52 goals and 44 assists.

In the team's first year of operation, Sandy Millroy was the leading scorer with 14 goals and 18 assists for 32 points. Last season Lorie Loshak was the top point-getter with 34 goals and 20 assists for 54 points.

Fire Chiefs scoring:

Sailfish club prepares early

Suddenly its summer time The children are gradually putting away their hockey sticks and bringing out their baseball gloves. The sun warms ones back. Fathers stop shovelling snow and start raking lawns. And the St. Albert Sailfish Swim Club start preparing for another season of competitive swimming.

Although the St. Albert club was only formed a few years ago it has established itself as one of the most successful summer swim clubs in Alberta having won the overall Provincial team championship on two occasions and having provided numerous individual Provincial champions and record holders. This success can be attributed to the dedication of the swimmers, the wholehearted co-operation of the parents and coaches and the understanding and assistance received from the Town council and the Recreation Department. It is essential that this environment continues as the club has to compete directly against centres such as Edmonton, Calgary, Lethbridge and Medicine Hat.

The coming season promises to be especially interesting as besides the team taking part in the usual competitions, with matches as far apart as Hinton and Lloydminster, the culmination of the season at the end of August with the Provincial championships in Calgary, coincides with the Alberta Summer Games.

This year the club has made an early start with its preparations and already two informal meetings have been held to discuss last years performances and ideas for the coming season. The annual general meeting is to be held in the Percy Page Recreation Centre on May 1st at 8 p.m. and it is hoped that anyone who is interested in competitive swimming will attend.

Saints schedule first practice

The St. Albert Saints will hold their first practice of the season this Saturday at the Mission Park diamond starting at 2 p.m. All positions will be wide open as this will be a rebuilding year for the Saints, who play in the tough Sunburst Baseball League.

Fastball Practice

The fastball team operated under the name of Michael's Catering last season will hold their first workouts of the year next Monday and Wednesday, behind the Catholic Church. A number of positions will be open this year and any interested persons are asked to call Fermin Iseke at 459-6829 for further information.

Want local umpire pool

Due to a shortage of qualified umpires in the Edmonton Association the Sturgeon Mens Fastball League will try and form their own association for the country area. Any persons interested in joining this group and earning some extra spending money are asked to call Mr. Stu Fisk at 899-3389.

If a local association can be formed, early umpire clinics will be arranged.

Town of St. Albert

Grosvenor Park Swimming Pool Admission Fees

1974

SEASON TICKETS	Town Residents	Non-Residents	Single Admissions
Family	$36.00	$45.00

NO PRE-REGISTRATION IN ANY CIRCUMSTANCES
REGISTRATION AT THE ABOVE TIME AND PLACE ONLY

Fire Chiefs happy with Easter tour

St. Albert bantam Fire Chiefs returned home Sunday night from their Easter hockey tour with St. Albert Sportshop midget Barons, very tired but very happy.

The teams had taken off Good Friday on a trip that was to take them to Calgary, Kimberley, Spokane, Seattle, Vancouver and Kamloops, 2,157 miles in the log book of Bob Edwards, the Sunset Boulevard resident who guides a bus for Pacific Western Transportation.

The Fire Chiefs played five games, losing 3-2 to Kimberley, winning 6-0 and 9-1 in Spokane, losing 6-2 to Sno-King midget Bs in Seattle and then defeating Burien, another Seattle midget B team, 6-5.

The teams travelled to Vancouver overnight Friday and visited Stanley Park on Saturday, before departing for Kamloops where they stayed Saturday night.

The boys were billeted only in Spokane and Kamloops. The rest of the tour they were put up in motels.

The boys were well-received everywhere they went but they found the roughness in the American brand of play a little surprising, especially in Spokane. Fire Chiefs stayed with their own game, however, after coach Doug Millroy threatened to billet any of his players who got into any disagreement with the player with whom he had disagreed.

The coach, whose wife, Thora, also accompanied the team, said the players were a credit to St. Albert. "You couldn't have asked for better behavior from a group of young fellows, many of them really getting out on their own for the first time. We had nothing but good reports from the motels where we stayed and the restaurants where we ate."

The coach had high praise for Mr. Edwards, who he said was more a companion to the boys than their driver.

"But I guess he has had lots of experience, dealing with young hockey players as he has been the driver for the Edmonton Oil Kings."

Mr. Millroy said the idea for the trip came when he was visiting in Saskatchewan last summer and was discussing hockey with a cousin of his wife's who was now living in Seattle. The cousin, former Morinville resident and Calgary Power employee Roy Pilon, has a son Dale in hockey. They thought it would be good fun to get their son's teams together.

So Mr. Millroy got together with Doug McConachie, who had assisted him with the bantams the year before but who had taken over the midget representative team this season, and they decided to combine their efforts and take their two teams on a tour.

"Doug and Dick Wilson, his team manager, did a tremendous amount of work to get this thing going and are owed a big vote of thanks by all who made the trip," Mr. Millroy said.

"I would also like to thank the Lions Club for their big contribution. Once that came in, we were committed. There was no turning back, and their president, Dick Ryley, must have worked as hard for us for a time, as he did for the club.

"Also, the department of youth, culture and recreation, the Town of St. Albert, the fire department, whose teams I have now coached for 10 years, Rudy Scheibelhofer and Max McCann, the Community League, it is hard to say enough about the support we received.

"And I can't forget the midget players. A great bunch of kids to combine a tour with."

(Two cousins did meet on the ice, Dale Pilon and Sandy Millroy. Dale, actually a first-year bantam by age, plays with the Seattle midget Sno-Kings. He stands six feet tall and weighs 185 pounds. Sandy, nearly three years older, stands five feet eight and weighs 130. What, Sandy asked, are they feeding that kid?)

NCA Baseball league organizes for 1974

The North Central Alberta Baseball League has scheduled its seventh annual meeting for Monday, April 29, at 8 p.m. in the Morinville Recreation Centre. League secretary, Paul Riopel, wishes to encourage all teams interested in joining the league to attend this important meeting.

The agenda includes such regular items of business as team registrations, review and amendments of league rules and objectives, and planning of league and playoff schedules.

This year another issue of some significance to local baseball fans will most certainly take priority on the agenda. The issues involved the separation of the south division from the north division of N.C.A. baseball league.

The south division, including Morinville, Bon Accord, Legal, Redwater, Vimy, Namao, Alexander and Rochester, is of the general impression that the link with the north division is no longer vital or relevant in the context of the present league.

"Teams from Westlock, Barrhead, Linaria and Mayerthorpe have ceased to be the unifying forces behind the league," insists Mr. Riopel. "Over the past seven years the south division has emerged as well organized promoters of baseball in the area. The quality of baseball has consequently improved."

"The disadvantages of a two-division system have surfaced over the past few seasons, and these disadvantages undoubtedly stem from a lack of communication between the two divisions," admits Mr. Riopel.

However, as Mr. Riopel points out, after seven years the south division is eager to replace the inter-locking playoff schedule with one more appealing to local fans.

Tournament play will no doubt replace interlocking playoff action as a basis for north-south rivalry. The two league concept seems to be the answer for the future expansion of baseball in our area.

The meeting on April 29 will serve to outline the issues and will provide an opportunity for every team to decide on the future of the N.C.A. Baseball League.

In the meantime local fans can expect league play to be underway by May 12, the proposed date for the season's openers.

Jim Starko of the Red Onion Rebels is congratulated by Ed Rusnak for winning the Grandin Esso trophy as the goalie with the least amount of goals scored against him.

N.B. - Club membership is separate from lessons - thus registration is separate (see separate ad re lessons). *Information sheets on the tennis club (executive, tournament dates etc.) available at - St. Albert Sportshop, all schools, Town Hall - Recreation Department.

St. Albert REC NEWS

LOST AND FOUND:

The articles left at the arena and rinks during the winter are still at the office of the Recreation Department in the Town Hall: skates boots, mitts, sweaters, jackets, etc. - the usual things and they will all be disposed of if not claimed immediately.

TENNIS:

The courts on Mission Ave are now open. Those on Sunset Boulevard are almost ready for play and it should be possible to announce in next week's column that they too, are open; other courts are being prepared in the same area but it will be some time before they are ready.

The annual registration for tennis lessons, sponsored and organized by the St. Albert Tennis Club in cooperation with the Department of Parks and Recreation, will take place on Monday, April 29 in the Percy Page Centre on Mission Ave. details are contained in a separate advertisement in this issue. There is no pre-registration. Classes are limited so register early. This year it is hoped, weather permitting, to have all the sessions of lessons completed by the end of May.

Information about the Tennis Club is given in an advertisement elsewhere. From Wednesday, May 1st the Club, which organizes the lessons for the public, will have priority in the use of Mission Park courts on Mondays, Wednesdays and Thursdays from 6:30 - 9:30 p.m. and on Sundays from 1:30 - 4:30 p.m.

The lessons, for which there is always a great demand, along with the use of the courts by the schools and the club playing times will keep all the courts very busy during May and the hours when they are free will be very irregular. More information will be available after the registration for instruction has taken place and when the needs of the schools are known.

Street shoes must not be worn on the courts; the surface is easily damaged and runners or tennis shoes are the correct footwear.

PLAYFIELDS:

The playfields are recovering from a very long white winter - patches of snow can be found in odd corners.

Some of the diamonds and soccer fields are still soft and coaches are asked to please use their discretion and refrain from practising or playing on grounds which are "mushy" enough to be damaged to such an extent as to require extensive repair work later on.

SOCCER COACHES CLINIC

A coaches' clinic will be held in Lorne Akins School on Saturday, April 27.

The clinic will be conducted by Peter Usher, a graduate student in physical education at the University of Alberta.

Included in an interesting agenda is a session on the cause and treatment of injuries most likely to take place on the soccer field. Majoring in sports psychology, Mr. Usher has made an extensive study of this subject and recently attended an international medical symposium on soccer injuries. Our coaches, in attending the clinic on Saturday, will have an excellent opportunity of gaining knowledge in an area which is too often overlooked in amateur sports.

The clinic runs from 9 a.m. - 4 p.m. on Saturday Soft-soled shoes, preferably runners, must be worn. There will be no charge.

Fishing with minnows allowed

Minister of Lands and Forests, Dr. Allan A. Warrack announced anglers will be permitted to use dead fish for bait. Bait-fish will now include members of the sucker and stickleback families, and all members of the minnow family except carp and goldfish. Smelt and herring are still permitted as bait-fish. The new regulations do not permit the use of game fish as bait. It will be necessary for fishermen to be able to recognize those fish which may be legally used.

Fishermen will be permitted to capture their own bait-fish by approved methods described in the 1974 Angling Brochure. However, collection or capture of bait-fish is prohibited, from March 1st to May 15th. Fish captured for bait must be killed immediately. They may not be used as bait or transported while in a live condition.

The capture of bait-fish and the use of fish for bait is prohibited in streams deemed to be frequented by trout, grayling and mountain whitefish and in a number of lakes which are stocked with trout. These waters are clearly defined in the Angling Brochure.

There will be provision made for commercial bait dealers to obtain a licence to capture bait-fish in certain waters and sell them after they have been killed and/or preserved. These licences should be available around June 15.

Changes have also been made in the daily catch and possession limits on certain species and in specific waters. A daily catch and possession limit of 30 yellow perch has been established.

The St. Albert Senior Soccer team won the Edmonton and District Soccer League Championship with a fine record of 10 wins, one tie and one loss. Games were played in the Kinsmen Field House through the winter season. Coach Herman Kochan is seen in back row left, with Ian Hull, Jo Kelly, Herman Nipp, John Aldred, Bernie Aves, Hugh Hopkins and coach John Alliston. In front are Brian O'Kell, Barry Alliston, Jim Campbell, Martin O'Kell, George Coward and Ken Heyburn.

St. Albert people will have the opportunity to hear both the Pitch singers who is going to Expo at Spokane this summer and the Spice group, under the direction of Father Ubald Duchesneau at a performance in the Roman Catholic Church on Friday evening at 8 p.m. Pitch will present their new medley opera "Our House" and Spice have prepared a variety of selections. On May 3 the young singers and musicians have been invited to perform at Dawson Creek and to take part in a youth mass, and on May 5 they will be doing the same in Prince George, B.C. Photo shows the Pitch group on stage in the Jubilee Auditorium last November, doing their first medley opera, Spellbound.

ST. ALBERT CATHOLIC PUBLIC SCHOOL DISTRICT #3
6 ST. VITAL AVENUE, ST. ALBERT, ALBERTA

Early Childhood Screening

The School Board of St. Albert Catholic Public School District No. 3 will be operating an educational program on the mornings of May 9 and May 10 from 8:30 a.m. to 11:30 a.m. for all Public School children who will be four and one half by September 1st, 1974, but less than five and one half years. The program will be offered in the Vital Grandin school and the children may use the usual bus service provided but we encourage parents to bring their children and remain at the school for the three hour morning screening sessions.

Since this program could be very beneficial for both the home and school we hope that you will be able to have your child in attendance. There is a possibility that some specialized classes will be operating in the fall of 1974 but this will be dependent on the results from the screening program and direct funding from the Provincial government.

The School Board will be cancelling the regular grade one classes for the entire day on May 9 and 10 in order to provide facilities and personnel. This also includes the classes of Mrs. Gillis, Mrs. Holm and Mrs. Savich.

The information that is obtained about your child in the screening program will be passed on to you so that we can work towards preparing these young people for the tasks they may face in the future.

Once the screening program has been completed some of the children may be asked to come to the school or health unit for more extensive testing but the parents concerned would be contacted.

If you are interested in participating in this program, please phone the District office at 459-7711 and leave your name and address.

NEWCOMERS

We welcome the following to St. Albert. Newcomers are from Alberta unless otherwise indicated.

STURGEON HEIGHTS:

GRANDIN SHOPPERS MALL

Your complete natural gas serviceteam.

No matter where you live in Alberta, when your natural gas is supplied by us, it's supplied by a team with a great deal of experience, and all the resources of a major distributor of natural gas behind them. That's why we can provide the kind of service that our customers have come to appreciate over the years.

So meet the team. Some of them you know, such as the serviceman, the meter reader, and our home economists, but there are a lot of others that you don't know. Welders, safety inspectors, surveyors, radio technicians, mechanics, engineers, accountants; the list is a long one. Some of the professions might not seem to have too much to do with natural gas service, but every man and woman at your gas company plays a part in bringing your natural gas to you.

Helping us look after your natural gas.

NORTHWESTERN UTILITIES LIMITED

Locals from Legal

By Lucienne Montpetit

The Edmonton Association for Retarded Children, sponsored by Winnifred Stewart School have planned their annual House-to-House One Day Canvass in Legal and District on May 1, 1974.

This year is a very special year as they are in the building of a second residence and also are building a new wing replacing the original school. It is necessary to the Association to have the Blitz a success, so that they may meet the financial obligations in order to see these two most necessary projects to their completion. Let us support this campaign May 1

A warm welcome to Mr. and Mrs. Bert Cyr who have purchased Mrs. Yvette Regimbald's house. Mrs. Regimbald has purchased and moved in the house owned by the Alberta Wheat Pool.

Sincere condolances to Mrs. Rene Georget who is mourning the loss of her dear mother Mrs. Adeline Gaudet from Bellevue, Sask.

Mrs. Raymond Tremblay, Mrs. Leo Regimbald and Mrs Wilfred Lecavalier hosted a miscellaneous bridal shower for Miss Rita Tieulie on April 21 at the home of Mrs. Lecavalier.

The door prize was won by Mrs. Vern Desmarais. Rita received many beautiful gifts and thanked the 40 guests for attending, their gifts and best wishes also the charming hostesses for the lovely afternoon. Rita will exchange marriage vows with John Stauffer on May 10.

Leo Maurier is back home after spending sometime in the hospital.

Get well wishes to George Montpetit who is a patient at the Edmonton General Hospital.

The Club 60 Roses committee are selling advance tickets for their dance on May 4. No tickets will be sold at the door. The tickets are limited so purchase yours now from Mrs. Hunting 598-3692; Mrs. Paul Montpetit 598-3826, in St. Albert from Mrs. Ray lafrance 459-6733.

Legal plans opening of Senior Centre

An interesting program stretching over Friday evening till Sunday afternoon has been planned for the opening of the new drop-in centre for Club 60 Roses, the Legal senior citizens. A bazaar will be held Friday evening from 7 p.m. with a variety of homemade articles including quilts done by the seniors, household and novelty items. This will be followed with a social hour and lunch.

A crib and card tournament has been arranged Saturday at 1:30 with prizes, games and luncheon. In the evening there will be dancing to the Starlites with refreshments available.

A baking contest begins at 9 Sunday with judging in the adult and teen categories at 9 o'clock, by D.H.E. Pat Doerksen and an assistant.

Official ribbon cutting will take place Sunday afternoon at 2 p.m. with MLA Ernie Jamison doing the honours, and a variety program to follow, concluding with a social hour and luncheon.

The old school has been attractively renovated with the needs and comforts of older folk in mind, and the Legal library is also quartered in the building. The grand opening will mark the beginning of many happy times over the years ahead for the senior citizens of Legal.

Legal honours team at hockey banquet

By Lucienne Montpetit

The annual hockey banquet and awards night was held recently at the Community Hall with 175 people enjoying the delicious roast beef supper.

Leon Brisson president of the Rec. Board was master of ceremonies.

Leon thanked all the ladies who gave their time to work at the arena during the winter months, and Omer Pelletier who was in charge of buying the food for the concession booth.

Omer then thanked Mrs. Doreen Brisson for spending many hours on the telephone to get in touch with enough ladies to make 15 crews to work at the arena.

Raymond Tremblay spoke on behalf of the Oldtimers team and presented Leon Brisson with a cheque for $100 to be used towards minor baseball. In the name of the Oldtimers.

Richard Maurier presented a trophy to Raymond Tremblay and Denis Limoges in appreciation and thanked the team for their cooperation and enthusiasm in being so sportsminded.

Remi Cyr was called to introduce the players. Remi said: I have mixed feelings how I should talk as a coach or as a player. It was a good club and a real pleasure for me to introduce the "Winning Team." He introduced each player with well chosen words describing their capacity as a player on the team.

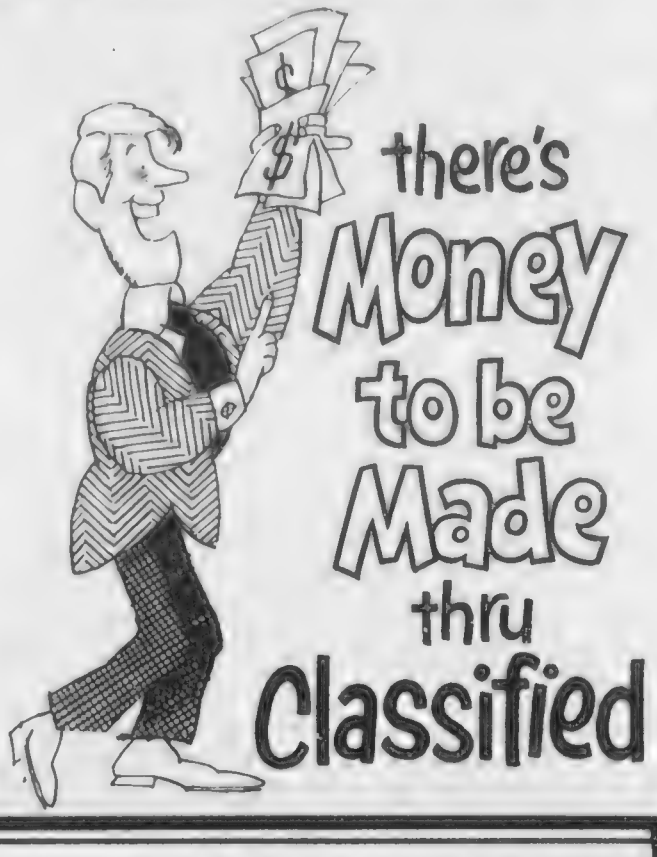

Remi asked Claude Maurier, manager, to make the presentations of the awards. Trophies were presented to the following: Top scorer, Darcy Brisson; Top defenceman, Gib Davis; Top sportsman - Laurent Coulombe; Most valuable player Guy Charrois; Rookie of the Year - Brent Hogue.

Denis Pelletier presented coach Remi Cyr with a trophy on behalf of the team. Laurent Coulombe presented a trophy to manager Claude Maurier.

A plaque in appreciation was given to the reliable scorekeeper Gerry St. Jean.

The draw for the Motor Ski suit donated by Richard Maurier was won by Ken Dufresne from Edmonton and Sandy Campbell from Lamont won the snow glasses.

Leon, ending on a happy note, congratulated the team saying "fellas, we'll do it again next year. Get in the swing of things and have a funfilled evening dancing to the music of the Cimarrons."

Don't put all your eggs in one basket! FARM CROP!

Diversification, Stabilization, Rotations, Short Growing Season, Assured Market, Cash, Trained Field Representatives . . . are all terms associated with growing Rapeseed under a Western Canadian Seed Processors' contract.

Thousand of Alberta farmers have recognized these advantages over the years, and have benefited each year from growing for an Alberta Company. Putting All Your Eggs In One Basket can mean income hardships from changing market trends. Rapeseed has provided the stability and the diversification necessary to avoid cash shortages.

Remember, you can have your share of the rapeseed market with a Western Canadian Seed Processors' Grower Contract.

To assist farmers, a staff of fully trained Western Canadian Seed Processors' field representatives are available in all areas to guide the grower through seeding, swathing, harvesting, marketing and delivery. They care about you all year long.

Sign Your Contract Today! Be One of those farmers who doesn't have all his eggs in one basket.

News from Gibbons

By Ron Coley

The Gibbons volunteer fire department held their annual banquet on Friday, April 19 in the Legion Hut. Special guests for the evening were Bill Flynn, Reeve of the MD of Sturgeon, Mayor of Gibbons Dermont Loblick, Councillor Ron Smith, Councillor Wilf Oliver was unable to attend as he is in hospital. A refreshment hour was held before supper. A delicious supper was put on by the Gibbons Legion Ladies Auxiliary. On behalf of the firemen and their wives I would like to thank the ladies for the great job they did. After supper Fire Chief Earl Yeo introduced the special guests and all the firemen and their wives.

Mr. Flynn was then asked to say a few words. He talked about the great co-operation the MD has had with the Village of Gibbons in particular the fire department, as the MD has a truck stationed in Gibbons and manned by the Gibbons Volunteer Fire Department.

Then our fine Mayor Mr. Loblick said a few words praising the fire department for their great service to the village and surrounding district.

Chief Yeo informed those present that the fire department answered 21 calls in the MD and one call in the Village of Gibbons in 1973. On behalf of Roy and Joan Wermouth, Earl thanked the firemen who answered the call to their house and especially to Roger and Eileen Pelletier for their help in cleaning up after the fire.

After all the speeches, two presentations were made by Tim Yeo, the first to Marcel Parent for his time in looking after one of the fire phones and the second to Ron Coley who is leaving the Gibbons Fire Department as he is moving to Edmonton.

Following the presentations a get-acquainted time was held. Tim Yeo and Tom Hogg looked very sharp with their girlfriends. Earl and Mary, Jack and Nellie just keep your fingers crossed.

I would like to take this time to thank everybody from the Village of Gibbons and District for the kind words about my report from Gibbons, this will be my last report as I am moving to Edmonton May 1st.

Anyone interested in reporting news for Gibbons may contact Mrs. Shirley Jamison at the St. Albert Gazette.

Al Oeming internationally famous naturalist, lecturer and TV personality will present "In the Land of the Black Bear" at the Legal Community Hall on April 30 at 8 p.m. Admission $2 adults; $1 children. Don't miss this spectacular and unforgettable masterpiece of Wildlife photography. Proceeds are for the girl guides and brownies.

Lions sponsor walk to aid Gibbons arena

May 11th is the day the Gibbons Lions stage their annual Walk-a-thon. The purpose of the event is to assist in obtaining "extras" required for the new arena project and community hall proposal.

Gibbons residents have always been generous in their support of worthwhile projects and once again the call is out for support of the arena walk-a-thon on May 11th. Walkers, helpers and sponsors are needed. Food and beverage donations are urgently required from any business source or private individual so please volunteer your help to the committee in charge. Walkers and sponsors will be required from any business source or private individual so please volunteer your help to the committee in charge. Walkers and sponsors will be required to fill out a form in order that accurate records may be kept. A public record of the proceeds will be posted with all proceeds "earmarked" for the arena fund.

Have fun by participating. Contact walk-a-thon committee members such as chairman, Earl Toane, phone 799-2382, Don Bevington, 298-2381 and Bill Pollard, 543-3114, and tell them you'll be happy to help. Remember - "Together We Can Build a Better Community."

Rape growers present brief to Minister

Alberta Rapeseed Growers Association in a brief presented to the Provincial Agriculture Minister Dr. Hugh Horner, asked for continued assistance to develop the rapeseed industry.

Walter Van de Walle, Rapeseed Growers President, stated that Alberta farmers must be encouraged to plant more rapeseed and increase yields, to maintain valuable export markets and to keep up with the requirements of the expanding capacity of crushing plants in this province.

Agriculture Minister Horner was requested by the Rapeseed Growers to give Government support to the establishment of Marketing Seminars to enable producers to become more knowledgeable in marketing.

Other points contained in the brief included:

*Establishment of a long term Rapeseed Research Program.

*Promotion of Rapeseed products.

*Market development.

*Agriculture Department assistance in encouraging farmers to use only low erucic acid seed.

*Representation on the Provincial Government's Advisory Committee on Wild Oats control.

*Appointment of a full time Department of Agriculture Oilseeds Supervisor.

CWL News

The St. Emile CWL held their annual meeting when a new executive was nominated.

Madeleine Cornelis was re-elected as president; Mary Quaghebeur as first vice-president; second vice. Mary Kachurowski and third vice - Shirley Rogalino, and Claire Yvonne Keane as sec. treas.

Four members, Jeanne Barry, Madeleine Cornelis, Mary and Florence Quaghebeur had a very interesting day when they attended the Diocesan Convention in Thorhild.

On April 26, feast day of our Lady of Good Counsel, patron Saint of the CWL, a special mass will be said, followed by a social evening.

Alcomdale 4H News

By Arlene Arlow

The seventh meeting of the Alcomdale 4H Beef Club was held at the home of G. Meakin on April 8. Joan Davidson said the pledge, which was followed by the secretary's and treasurer's reports. Roll call was taken. It was decided the Club Tour would be held on April 18, with a judging demonstration on the same day.

Some of the members went to Edmonton on April 15 to look after show animals in front of the Bay.

Lunch was served after the meeting. Next meeting May 1st, 1974.

Gibbons Teens plan many activities

By Joe Krupa

As sponsor of the Gibbons Teen Club I would like to thank the School Board for giving us permission to use the school gym every Wednesday evening. Parents are asked to let me know which Wednesday they can assist with supervision.

There will be a teen dance in the Community Hall on April 19.

A rummage sale is planned in the near future. If anyone would like to donate things please let me know soon. At present we have 50 chesterfield cushions, rug remnants, water barrels etc.

Cash bingos are held the last Wednesday of each month - 7:30 to 8 p.m., six games two cards. Admission 50¢.

A raffle will be held in a couple of months to raise money for tennis equipment to be used on the skating rink site.

A bingo on July 1 Sports Day will support the Arena Building Fund, again donations of prizes would be appreciated.

Teen Club functions will be closed during the month of July.

THE BLOSSOM VILLAGE

Mixed flower seeds have been purchased for every taxpayer in the village hoping these would be seeded in a place where the flowers could be seen from the street or sidewalk. These may be picked up at the Village Office. There will be a beautification contest later in the year. A representative from the Seed Centre volunteered to come out in support of this project.

SWIMMING POOL

A teen survey shows almost 100 per cent interested. Some money is available. What is your opinion?

Mail your comments, remarks, etc. to Box 236 Gibbons, Alberta.

"I'd quit—but, I *own* the company."

FLOOD DAMAGE

ASSESSMENT

Damage Assessment from flooding over the last few days will be undertaken as soon as practical. To help in this, residents suffering flood damage should register with their municipal office starting Wednesday morning April 24th.

MORINVILLE MEMOS

By Flo McGinnis

Now that the snow has pretty well disappeared (well more or less anyway) we are all beginning to wonder if our basements will survive without any dampness this year. We can give a big vote of thanks to our Town Crew who have been out constantly, making sure that the street drains are clear.

Don't forget that, to make sure our youngsters can take advantage of Minor Baseball this year, there is a definite and urgent need for coaches, umpires and assistants. Lets not see the baseball organization go down the drain as it did in '73. Please contact Doug Ramer at 256-3565 if you can help in any way.

The Morinville Recreation Board is organizing a Pedal Pushers Club for the third year. All youngsters from 6 - 12 years are eligible if they own a bicycle. Notices and application forms will be distributed through the school, so parents - Please watch for them. Registration night will be held May 6.

Had a chat with Rita Charest the other day and she tells me that they spent Easter weekend in Kelowna visiting daughter Linda Windsor and family. Flowers were in bloom, the trees all green, and they were able to sit out in the sun in their shirt sleeves.

Doug Ramer reminds us the Lions Club Junior Rifle Range is open every Thursday evening. Young people 15 years and under may drop in to the Arena at 7 p.m. any Thursday and register there.

Wednesday May 1 is the night of the Lions Club Blitz in aid of the Winnifred Stewart School for Retarded Children. This is the second year that the Morinville Lions are having the blitz, and they to achieve the same success as last year. Welcome the Lion that calls on you and give your donation to a very worthwhile cause.

BRIDAL SHOWER

Sunday, April 14 saw an afternoon bridal shower being held in honor of Miss Anne Marie Labonte at the home of her sister Denise Chevalier.

Anne Marie is the bride-elect of Gerald Marcoux, and the wedding will take place on April 27.

Some 35 guests were in attendance, enjoying the many games that were played. Among the winners were Annette Gervais, Mrs. Simone Gervais, Mrs. Louis Fluett, and Diane and Brenda Holterhus.

Many lovely gifts were received by the happy bride-elect, and a food hamper was also presented to her.

Anne Marie ably thanked all her friends and relatives for honoring her so, and expressed the wish that she will see them all at the wedding on the 27th.

OPEN HOUSE DRAWS CROWD

More than 300 people attended the open house that the new owners of W.W. Farm Equipment held last Thursday afternoon. There were 21 persons who won prizes varying from a cap to the major prize of a rototiller, which incidently was won by Ronald Franche of R.R. #2, St. Albert. Other winners were - Mrs. T. Himschoot, Jack McRae, Janice Lamb, Ken Kieser, Mose Comeau, Eddie Wiesgerber, Robert Kieser, Phillip VanBrabant, Octave Himschoot, Henry Schaeffers, Luciene Labonte, Jack Wurtz Shirley Himschoot all of Morinville; Barry Bentz, Edwin Tapoff, Carl Tapoff and Joe Rouault all of St. Albert area; Pauline Erickson of Drayton Valley, Archie Cameron of Alcomdale, and Edwin Nykolyn of Boyle.

Both Ken Wiesbrott and Bill Webb would like to thank all those that attended the open house, and made it such an enjoyable afternoon.

Sports man's supper supports ice drive

By Flo McGinnis

Sponsored by the Central Sturgeon Agricultural Society and the Morinville Sports Association, the Sportsman's Supper held Saturday, April 20 was quite a success.

Some 200 people sat down to a delicious supper prior to the drawing of names for the cash prizes that were offered. Winners were - for $25 -- Lions Club, Gib Boddez, CUNA staff, Leopold Boissonnault, Zane Dorosh, F. Vollrath. The Royal Bank staff and Bob Ringrose won $50 prizes, while Boyd Waddell along with Mrs. T. Himschoot and Ulice Fortier (who shared) each won $75. Winner of the $100 prize was Roland Boissonnault. The big prize of $500 was split between Clayton Crozier and Arthur Dalby who came to an agreement prior to the drawing of the final number.

All proceeds from the supper are going into the "Artificial Ice Fund" to give it a big boost. The CSAS is beginning a canvass of Morinville and surrounding district for cash donations and or pledges for the fund. Arrangements have been made with the local bank and credit union whereby persons may make a direct donation or sign a pledge, and in this way it is hoped that all persons interested in seeing artificial ice become a reality in Morinville will come forward and assist with the drive.

The executive of the Central Sturgeon Agricultural Society have stated that artificial ice is definitely going into the arena this fall. Work will commence immediately following Frontier Daze.

TOWN OF MORINVILLE

Notice of Public Hearing

The Council of the Town of Morinville having been given authority in Section 119 of the Planning Act, 1970, as amended, to control development within the boundaries of the Town of Morinville by zoning will hold a public meeting.

The purpose of the bylaw is to rezone the area from RX to R1 and RX to SP.

The proposed bylaw may be examined between the hours of 9:00 a.m. to noon and 1:00 p.m. to 5:00 p.m. at the office of the Secretary-Treasurer at Morinville.

The public hearing will be held in the Council Chamber on the 14th day of May, 1974, commencing at 8:00 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 5:00 p.m. of the 14th day of May, 1974. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

Paul E. Brochu,
Secretary-Treasurer.

Morinville Library News

By J. R. Clark

By now every house in Morinville should have received an invitation to the Library Coffee Hour on Friday, May 3, from 7 p.m. to 10 p.m. To all our MD members we extend the same invitation, so do come one and all. Members of the library board and the two librarians will be there to answer all questions.

Presently in the library there is an exhibit of handmade toys lent by the Provincial Museum. They date from the late 18th century to the early 19th century.

The library has also received a gift of one hundred books in English from the Canada Council. These will be on display at the coffee hour. Another hundred books in the French language are on their way from Montreal, also a gift from the Canada Council. They cover a wide range of topics and are all by Canadian authors.

Many people will have seen the Academy Award winning movies that are showing in Edmonton just now. We have in the library four of the books of these movies. "The Great Gatsby" by Scott F. Fitzgerald. "The Exorcist" by Peter Blatty. "Serpico" by Peter Maas and "Papillon" by Henry Charriere.

Then for TV viewers there are "The National Dream" and "The Last Spike" by Pierre Berton.

Two weeks ago Time Magazine, New Week, Vogue and Macleans all carried rave reviews of 'Watership Down' by Richard Adams which seems to have just arrived in the States. We are well ahead, as it has been in our library since last October. It has been called a major literary success. Maybe it is a book for children but the Americans predict it might turn into a cult as did Tolkiens "Fellowship of the Ring" books (which we also have). Anyway "Watership Down" is a fascinating story for both young and old.

Two other news items - Miss Angeline Leduc attended a three day seminar this month in Edmonton at the Centennial Library on Childrens Library services. Mrs. Charlotte St. Germaine and Mrs. Lorraine Fergusson went to a one day seminar on Puppets, how to make and use them in the children's library. This was also held at the Centennial Library.

CLASSIFIEDS GET FAST RESULTS.
PH. 459-7144.

** ** **

Mr. and Mrs. Bud Crozier who spent the Easter week in the Banff area reported that Fairmount Hot Springs looked like it does the July 1st weekend, being crammed with families enjoying the camping facilities.

** ** **

March 17, 18 and 19 were the days when 16 girls brought sleeping bags, pyjamas and spent hours together at the Recreation Centre. Mrs. Jeanne Maurier, nicknamed "Mama Cassa;" Mrs. Lucille Dube, known as "Cher" and Mrs. Irene Chamberland as "Magilla Gorilla" supervised the Girl Guide Teepee Camp. The girls were hostess to Rev. Roland Bissonnette - "Fr. Goo Goo," Mrs. Evelyn Fraser "Snoopy" - Gibbons Camp Advisor and Mr. Marcel Dube "Mr. Gazoo" on Thursday evening and Mrs. Lorraine Kremer or "Chief"

Sturgeon Valley 4H News

By Betty Kushak

On March 20 the annual public speaking was held at the Namao Church. In the senior portion David Quwek came in first giving a speech on "Farming as a Profession." Runnerup was Bradley Quwek giving a speech on "Enemies." In the junior portion Betty Kushak came in first saying a speech on "Dogs." Runnerup was Pat Briggs with speech on Superstitions. The judges for the evening were Rev. Lough and Rick Milligan with timekeeper Earl Briggs. After the public speaking a lunch was served.

On April 10 the regular meeting was held at the Radke's farm. Chris Micklesen called the meeting to order with Roger Briggs saying the pledge. The roll call and minutes were taken next. David Quwek gave the treasurer's report. Marianne Mickelsen read the correspondence. The tour of 4H members calves was brought up. The deciding date was April 19 at 10:00 at the Radke's farm. Afterwards the 4H members will go to David and Bradley Quweks place for judging of Holstein cows. Then a dinner will be served. Next discussed was a night out. Decided to go for supper at the Beverly Crest on April 17 at 7:30. Melvin Clark, leader, handed out forms for camps and read a story on "Sour Milk." The meeting was adjourned by Peter Mickelsen. A delicious lunch was served by Mrs. Radke.

Report from Bon Accord

By Sadie Allen

A reminder to all of the Pro-Life Education program which will be held in the Bon Accord Community Centre on Friday, April 26 at 8 p.m. Features of the program will include a 25 minute film, a panel of speakers, a gynecologist and a question period. The admission is free and coffee will be served.

The United Church Ladies report a very successful Easter tea and wish to thank all those who helped with the work. The ladies welcomed back Mrs. Hazel Hancock who has been visiting with daughter Gerry in New York and Mary Anne in California.

Congratulations and best wishes to Mrs. Estelle Beals on the occasion of her 86th birthday on Friday, April 26.

Boys were featured in Easter week in the district with congratulations going out to Terry and Beth King on the birth of Kirk Ashley, 8 lbs. 10 oz. on April 16 and to Vern and Connie Lewis on the happy arrival of Zane Trevor, 8 lbs. 11 oz. on April 19.

A two week charter tour of California helped to shorten the long winter for Mrs. Mary Kryskow and daughter Debra. They were accompanied on the tour by Mary's parents, Mr. and Mrs. George Vaculchik and sister Rose Watemanik.

Rick Kreway, Dale Malanchen, Larry Kelly, Darryl Kuzyk and Warren Everitt travelled with the wrestlers from Camilla to take part in the junior Olympic Wrestling competitions at Lethbridge. Dale brought home a silver medal for the 14 year 158 lb. class. Mr. and Mrs. John Kreway, Mrs. Jennie Malanchen, Roy, Eileen and family, Mrs. Marj Kelly travelled to Lethbridge to give the boys moral support.

The April meeting of the B.A. Ladies Community Club was held at the home of Mrs. Dorothy Rigney. Several members were away due to illness. Plans for the spring-harvest ball to be held May 11 were completed. Music is by the Satellites and tickets may be obtained from Mrs. Doreen Hewitt or club members. A vote of thanks was given to all those ladies who helped at the booth during the school festival. The clubs annual outing has been planned for April 30. Winner of the hostess prize was Frances Ketler. The next meeting will be on May 8.

The weekly trip from Egremont paid off for Mrs. P. Sirotski on Sunday evening when she not only won the bingo jackpot of $85 but the Bonanza bingo as well. Congratulations to a good bingo supporter. The new jackpot kicks off at $75 in 52 numbers. Mrs. Sirotski won hers in 55. Come out to bingo on Sunday evenings at 7. All proceeds go toward community activities.

May 6 to 11 has been proclaimed clean-up week. A poster contest for cubs, guides and brownies promoting clean-up week is underway. The week will kick off with a parade on the 6th, garbage pickup on the 11th with garbage to be placed at the front of the street. Everyone is asked to please co-operate.

The Local Association for Brownies and Guides met in the Community Centre on April 9 at 8 p.m. Plans for the mother-father-daughter banquet were finalized. The supper will feature turkey, ham, potato salad, coleslaw and pie for dessert. Guest speaker will be Mrs. Helen Lesyshen, division commissioner. A special guest just returned from India will be Miss Linda Runka, who will be showing slides of brownie packs and guide companies in India. The banquet will be held on May 3 at 6:30 p.m. in the Community Centre basement. The final meeting of the Association will be held on May 7 in the Clubroom.

On Saturday, May 20, the first Bon Accord Guide Co. escorted by Mrs. Donna Gorringe and Mrs. Helen Lesyshen along with two Edmonton Guide Companies were guests of the First Namao Co. The girls attended a fire brigade course in the Social Centre at Namao from 10 a.m. to 3 p.m. Points covered were - how to report a fire, a planning kit for a home fire escape, babysitters instructions, artificial respiration and tips on fire safety. The girls who passed their tests will be awarded their fire brigade and emergency helper badges. Thanks are extended to the Namao Co. and Mrs. Elaine Segin for their hospitality. The first aid course starts on May 7 and will run for four consecutive weeks.

At their regular meeting held on April 15 the guides saw a survival film. The film was in three parts, showing three men who had crashed. The girls saw what not to do and what to do in order to survive. The film simulated actual experience as unfortunately there was only one survivor. The guides also canvassed for donors for the Blood Donor Clinic and acted as babysitters.

Get well wishes to Mrs. Helen Milligan, in the Royal Alex Hospital.

The Bon Accord 4H Clothing Club held their meeting at the home of Marsha Rigney. Achievement Day is slated for May 6 at 7 p.m. The girls are looking forward to a good turnout. Everyone is welcome. Marsha Rigney came in second at the Regional speak-offs at Edson and competed at the Sportex on April 19 for the Northern Alberta Public Speaking Competition. The club are once more planning to attend Camp Macinickali this summer. Lori Pawluk who spoke for the B.A. Clothing Club received an honorable mention for the junior speak-offs at Alcomdale. Put down May 6 on your calendar for the girls' Achievement Day and plan to attend. This report was submitted by Club Reporter Janet Mulligan.

The Bon Accord Arena nears completion. With weather conditions being favorable the building should be completed within the week.

Photo by Jim George.

BILLBOARD

APRIL 26 - Pro-Life meeting - Bon Accord Community Centre at 8 p.m.

APRIL 28 - Minor Hockey Wind-Up - Bon Accord.

SAT. MAY 25 - Plant Tea and Bake Sale by Gibbons Sunday School Circle. Bedding plants, vegetables and flowers for sale.

Bon Accord Council plans development

Mayor Deedman, Councillor Nicholson, Ken Fearnley building inspector and Jim George, maintenance foreman were present for the regular monthly meeting of council held April 15. Several local ratepayers were present as observers also.

Mr. G. Reyner of Glacier Developments Ltd., met with council to discuss a problem encountered in the proposed development of the Hugh Allen land. It is understood that this matter has now been resolved and that this residential development will go ahead this year.

The sidewalk extension program is also expected to go ahead this year. The work will be carried out with funds obtained from the Provincial Government's Street Improvement Grant.

An application to the Canadian Transport Commission, Ottawa, for a public railway crossing at 48th Avenue, was authorized.

The Edmonton Regional Planning Commission asked that council consider a proposed subdivision on the N.E. 23-56-24-W4. No objection was recorded.

Mayor Deedman reported on two meetings he had attended recently - one with the council of the M.D. of Sturgeon when the matter of a refuse disposal site was again discussed. The other meeting he attended was at the invitation of the mayor of St. Albert, the subject being the installation of a sewage line between St. Albert and Morinville.

Mr. E. Jamison, MLA is arranging a meeting between council members and government officials, with a view to obtaining information on government assistance for capital projects. Council is at present considering a new building to house office, fire hall etc.

Bylaw #65 - The Compulsory Pasteurization Bylaw, was given third reading and finally passed at this meeting.

Bylaw #67 - A Bylaw to increase the number on council from 3 to 5 at the next election, was given first reading.

Residents are reminded that the public hearing on the zoning bylaw #66 will be held at the hall on Wednesday, May 1 at 8 p.m.

PUBLIC WORKS:

Installation of several culverts at residences in various parts of the village was authorized. The work will be carried out when conditions permit.

DEVELOPMENT CONTROL

A building permit application for a shopping complex on Lots B and C, Block 4, Plan 1417 M.C. is receiving consideration of council.

POST OFFICE:

Mayor Deedman reported on discussions he had had with Mr. Nowoselski of the Federal Public Works Dept. with regard to the possibility of a new Post Office being built in the village.

DOGS:

It was reported that there are thought to be about 75 dogs in the village, only 25 of which are licensed. The matter of appointing a local Justice of the Peace is being investigated so that the regulations set out in the new Dog Bylaw, as well as certain other regulations can be enforced.

AROUND STURGEON

The fact that there is no Riviere Qui Barre direction sign continues to give problems to visitors. At the recent Parish Supper when the Columbian Girls Choir were special guests, the bus found its way, but a car carrying the pianist and a few members got hopelessly lost and never did make it. Residents of the village were also upset when an ambulance was long delayed last fall, a situation which could be a life and death matter.

PONOKA 783-3725 ALBERTA

This picture was taken Sunday morning on the correction line 6 1/2 miles west of #2 highway and 5 miles north of St. Albert. The Allan McDonnell farm is to the left of the closed sign. This road serves the farming communities of Villeneuve, Riviere Qui Barre and Calahoo and will be impassable for some time. The road was flooded when a small creek one-quarter mile west was unable to carry the spring run-off and a stretch of road four miles long is now under water.

Children and money

By Pat Doerksen,
District Home Economist
CHILDREN AND MONEY:-
(information from Oregon State University)

Wise money attitudes do not appear as if by magic when your child leaves home or becomes 21. Values and attitudes toward money are built slowly through your guidance and through the opportunities you provide them to have experiences with money.

Education about money helps your child learn to cope successfully with his social and economic world. This education begins early in life. What is learned at home is reinforced, weakened or changed by the influence of friends, other adults and the pressures of the social and business world on your children.

How children use money and what they can learn about money depends upon their age and their stage of development. Not all pre-schoolers see money in the same way. The baby or the toddler sees money as something to put in his mouth. He uses it to perfect his skills of picking up objects and then dropping them. His parents see it as a hazard to the young child who is likely to put it in his mouth or even swallow it. Parents do their best to keep coins out of the children's reach.

Money is something to jingle in the pocket of the two year old or an object he can use to make something happen. You press a button and the light comes on; you put a coin into a slot and out comes candy or a soft drink. Giving a coin to a sales clerk means he will give you a toy or ice cream cone.

THE THREE SIX YEAR OLD

The three-to-six-year old holds these ideas about money and develops some others. He learns that coins have value according to their size. Have you ever asked a child which coin he would like to have -- a nickel or a dime? At first the child will take the nickel because it looks larger. Eventually, though, children learn that the dime is more important -- it buys more. They learn through experience. A dime will buy more candy or a larger ice cream cone than a nickel.

Developing the idea of money as a "medium of exchange" is a difficult one for the young child. One study shows that even when children go through the motions of playing store they really don't grasp the idea. They can imitate the roles but they don't understand the function of money in the purchase. In fact, they described the checker in a store as the "man who gives you your money back."

Parents teach attitudes about money by their feelings and actions. The very small child picks up these attitudes and feelings even before they can understand just how money operates. Arguments about money and worrying about bills can give children the feeling that money is a depressing problem or the most important thing in the world. Your way of spending and using money is going to affect the way your child uses his later in life.

Children have made a good beginning in the wise use of money when they have developed:

*a feeling of trust and security in their parents,
*a feeling of self-confidence
*the ability to cope with everyday situations
*the idea that you can't have everything just because you want it or when you want it.

TEACHING THE
PRE-SCHOOLER MONEY
CONCEPTS

CONCEPTS	EXPERIENCES
Coins have names.	*Teach the names by using the name of the coin.
Money is used to buy goods and services.	*Give experiences in using money. Put the money in parking meter. Hand the money to the clerk. Make simple purchases under supervision. Take him shopping with you.
Money is a limited commodity. Choices are necessary.	*Set limits on how much a child can spend. *Give him money of his own to spend. *Give him choices among items of equal value and equal appeal e.g. a choice between an ice cream cone and candy bar, or toy truck and airplane.
Relative value of coins.	*Count the pennies. Five pennies make one nickel. Two nickels equal a dime. *Give an opportunity to give gifts or to share toys.
Money can be shared.	*If you save pennies, you can buy something you want
Money can be saved.	

Summer Employment

By Wally Klatt
District Agriculturist

An employment program whereby students can be hired by farmers is now in effect. The period is for May, June, July and August.

Normally, only one student per farm can be hired.

The student employee must be over the age of 16, and if under 18, have written parently consent. The student must have been a resident in Alberta for the past six months, and may be a member of the employer's immediate family. Students have to be through school i.e. summer holidays before they can be eligible. The government will be responsible for paying one-half of the employee's monthly salary up to a maximum of $200. (whichever is least) and the employer's contribution to Canada Pension Plan, Unemployment Insurance Commission, and Income Tax.

Wages for the employee will be negotiated between the student and the farmer. The farmer shall provide suitable room and board at no cost to the student.

Wild Life Damage

By Wally Klatt
District Agriculturist

Farmers experiencing damage to crops this spring are advised to contact their local Alberta Hail Insurance Agent. In the M.D. of Sturgeon these agents are:

Don Bevington, Gibbons - Phone: 298-2223;

W. Warshawski, 12 Gaylord Place, St. Albert -- Phone: 459-6179;

Don Christiansen, R.R. 1, Fort Saskatchewan, Phone - 543-3062.

SUMMER EMPLOYMENT

*A student (anyone 18 years with at least a High School Diploma) is wanted to DEVELOP AND CONDUCT A SURVEY to determine the continuing education needs of residents of Sturgeon area.
*Employment will commence on or about the beginning of May and terminate around the middle of July 1974.
*Rate of pay - $2.50 per hour plus 6% holiday pay.
*Location of office - Morinville.
*Please reply on or before April 29, 1974 to --

STURGEON FURTHER EDUCATION COUNCIL,
M.D. BUILDING,
MORINVILLE -- PHONE: 256-3351

Test Holes

By Wally Klatt
District Agriculturist

As indicated previously, 100 test holes will be drilled in Alberta in areas where there is some question as to water availability. These test holes cost 50¢ per foot. A fifty dollar application fee is to be included with the application. All test holes will be cemented over and the hole filled with cement.

Application forms are available from the District Agriculturist's office.

Labour Assistance

Deadline to complete Livestock Buildings under the Labour Assistance program has been extended to May 15. All claims have to be submitted to the D.A.'s office by May 15 if claims are to be honored.

Namao News

By Norma Crozier

Reverend Val Roos of Edmonton will be guest minister at Namao on Sunday, April 28 in the absence of Rev. H. Black.

Namao 4H Button and Bows Clothing Club will hold their Achievement Night in the Community Hall on Monday, April 29 at 7:30 p.m. Everyone welcome.

Namao Senior Hockey Club held their wind-up on April 19 in the "Hub" with a banquet cooked and served by Community League ladies. The Bob Jefferey Memorial Cup for the most valuable player for the 1972-73 season was awarded to Gary Gauthier and for the 1973-74 season to Billy Akerman. Mr. and Mrs. Donald Potter donated trophies for the players to keep. The club enjoyed a good year with Clayton Crozier, coach; Phil Gibson, assistant coach and Harvey Ash, manager.

After the banquet and presentations everyone enjoyed the Cotton Ball.

Mr. and Mrs. Dale Shultz have returned home after spending the winter in Arizona, U.S.A.

Mr. and Mrs. Harvey Ash travelled to Penhold on the weekend to attend the 50th wedding anniversary of Mr. and Mrs. Reg Huff, formerly residents of the Namao area. Mrs. Huff wrote and produced a play of their life over the past 50 years which everyone enjoyed.

Many Namao residents enjoyed an Easter holiday this year and after the long long winter were all happy to return to spring in Namao.

Mrs. Daisy Craig, her two daughters and their families flew to Disneyland, Mr. and Mrs. Robert Kindleman and sons Craig and Barry and Mr. and Mrs. Reg Nelsen and sons Todd and Brent. Enjoying a two week holiday in Hawaii were Mr. and Mrs. Robert Stanton and son Scott, Mr. and Mrs. Ken Stanton and son Richard, Mr. and Mrs. Bruce Porter and daughter Lori, Mr. and Mrs. Bud Horricks, daughter Lori and son Ross and Miss Kathy Ward. Mr. and Mrs. Glen Gabbey, son Paul and daughter Pamela drove to Disneyland for a two week holiday. Mr. and Mrs. Ted Samis accompanied by Mr. and Mrs. Robert Hanby motored to Winnipeg to visit Mr. and Mrs. Ted Hopper and to be present at Mr. Hooper's 80th birthday celebration.

Get well wishes to Mrs. Marjorie Agar who is home after being in Royal Alexandra Hospital last week.

Villeneuve 4-H News

By Vernice Soetaert

With the Achievement Day windup another year has come to an end for the Villeneuve 4H Sewing Club. This event was well supported by the community. The club was very happy to be able to display some of their accomplishments during the year. Including demonstration speeches, and sewing projects. The highlights of the evening were a puppet show followed by a fashion show. The evening then ended with lunch.

GREASER DANCE

On May 3 the Villeneuve Girls Softball Club would like to invite the Villeneuve Community to step back in time with them. The dance will start at 8 p.m. in the Villeneuve Community Hall. Admission is $1 for adults and 50¢ for 15 and under. A prize will be given for the best costume. We hope to see you all there.

If your family is rough on floors (and what family isn't),

you need NEW ERA™

The TOUGH FLOOR from Armstrong

Floors don't lead a soft life—especially if there's an active family around your house. Everyday scratching, scraping, scuffing, and gouging can do in any floor after a while.

That's why Armstrong created New Era . . . the tough floor.

New Era is made of vinyl, like many other floors, but it's manufactured differently to give it extra strength . . . strength to resist gouges and heavy traffic wear let alone ordinary scrapes and scratches.

But don't take our word for it. Come in today, and we'll show you just how tough (and good looking) New Era really is!
